### NUDVAN Christmas held at Counties

The weather was a little doubtful from the forecast but the Rally and Party went ahead anyway. In fact the weather was dryer and warmer than we expected, so we were able to get our club uniforms out.

A good number of Counties members came out which was great. Games were played on a friendly basis and of course we gathered together for happy hours.

Christmas dinner was a typical pot luck feast with more than enough food for everybody. Santa popped in and assisted by his able helper, handed out some Christmas presents.

Sunday breakfast was provided jointly by Nudvan and Counties Sun Club. Nobody slept in, so nobody went hungry. Though I suspect there was a lot of light lunches eaten that day.

### Coming Events

#### NZNF AGM

The NZNF AGM 2018 will be held at Wellington Naturist Club. The AGM and New Year celebrations to be at Wellington, followed by the “Out of the square” bus trip to other clubs. It’s too late not to book a seat on the bus, but the option to “tag along” exists.

## NUDVAN Safari

The Safari that some members put together has had to be put on hold. We have been unable to find anybody willing and able to pick it up and run it. Many of our members will be touring various parts of the South Island in the first three months of 2019. So if that is you, please let the secretary know your plans and we should be able to arrange a few get-togethers.

## Stay Put Rally

Friday 22 March 2019 to Sunday 24 March, with the option of staying over Sunday night to leave Monday morning.

The stay put Rally is by popular demand arranged once again for that privately owned hideaway near Whangamata. This really is a great spot. Those that have been before I am sure will come again if they are able. Those that have not been this is a place that it is well worth a visit.

A great weekend is in store again it is 5km south of Whangamata, 24.8km north of Waihi. Address is 2480A Waihi Whangamata Road, Whangamata. GPS S37.246627 E175.853470

Bring yourself, something to sleep in (camper, caravan, tent!) or there is a cabin available, something for sustenance, suntan lotion, and if you like a fishing line, or canoe etc. Whatever you need for a great weekend, staying put.

## NUDVAN AGM

This year the AGM will be held at Waikato Outdoor Society on the afternoon of Saturday 27 April 2019. Official notice and papers to come later. Plan to arrive early and/or stay late. Book your site direct with WOS.

### Still looking for:-

1. Another good spot for a Stay Put Rally. If you know of a suitable place, preferably where we can get into club uniform, please let us know.
2. Members that have the space and are willing to let other members stay for a day or two. A few years ago NUDVAN had a list of such members. So if you have the space and would like your contact details (name, phone, approx. or exact location) on such a list please let us know. The list would then be available on request to NUDVAN members. It is not intended to publish the list in the Navigator or the web site.

Cheers for now  
John & Christine
