Any other ideas you would like us to investigate.

Ashley has also offered the Bush Tramway Club as an option in the future.

Remember we need to get the trophy back this year, can't let counties beat us again, we need you members to help us get it back ☺

Anyone want to share your expertise and produce this newsletter?

Anyone ready to take on the IT development, John is in training but as president is a busy man

Hope to hear your fabulous ideas and see you soon at counties,

Kind regards and happy travels, Jan and your diligent committee.
